

Social Media Initiatives

What an exciting year it has been as we expand our social media presence! We now have around 1,000 followers on Facebook! Our posts share uplifting content that reflects our mission to enhance the recreational, educational, and cultural experiences in the Novi community by promoting and securing support for Novi Parks, Recreation, and Cultural Services.

Thanks to the generous support of Ashni Desai, we have successfully relaunched our Instagram and LinkedIn accounts. We are always on the lookout for enthusiastic volunteers to join our social media team. If you're interested in helping out, please contact director@noviparksfoundation.com

Don't forget to follow us on social media—we'd love to hear your thoughts on our content! Finally, share your pictures from our wonderful parks. Your picture may make the next Newsletter!

Our Mission Statement

"Enhance the recreational, educational and cultural life of the Novi community by encouraging and soliciting support for Novi Parks, Recreation and Cultural Services."

Pour On The Shore 2025

Another fantastic Pour On The Shore event has wrapped up, and we extend our heartfelt gratitude to our sponsors and friends who generously contributed their time and talents to ensure its success. A special thank you to Mother Nature for providing us with beautiful weather throughout the event. This year, we welcomed approximately 348 attendees and raised \$12,000 USD to support our beloved parks. Every dollar raised directly contributes to our mission to enhance the recreational, educational and cultural life of the Novi

We are seeking volunteers to join our Board of Directors and serve our community. If you are interested in this opportunity, please reach out to us at director@noviparksfoundation.org. Since our establishment in 2004, the Novi Parks Foundation — registered as a 501(c)(3) organization — has been committed to enhancing the Novi community by supporting local parks and programs. Thanks to the generous contributions of our donors, we have been able to fund projects such as ITC Community Sports Park and its trail development, Jessica's Splash Pad at Bosco Fields, the Tim Pope Play Structure, and the pickleball courts at Wildlife Woods Park, along with numerous other park constructions and improvements. We also prioritize inclusivity and accessibility by ensuring that both youth and adults in need can participate in recreational programs.
